

THE CEBALLOS FAMILY

"Making disciples to worship the Lord"

NEWS BULLETIN # 53 - JUNE 2025

Dear family in the Lord,

"Those who trust in the Lord are like Mount Zion, which cannot be moved but remains forever" Psalm 125:1 (NASB)

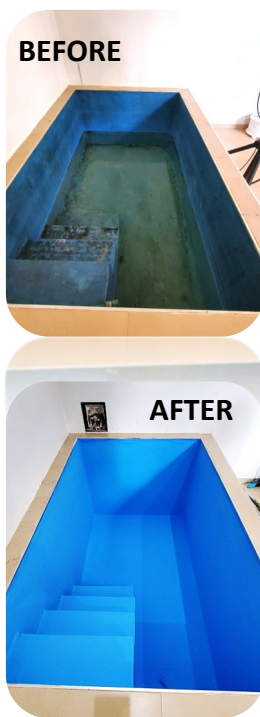

It is beautiful and comforting to remember the Word of God. Our steadfast God is always by our side, no matter the circumstance. **Glory be to Him!**

Dear Brothers and Sisters, your lives and your testimonies give us enormous encouragement. Your prayer needs provide an opportunity for us to support you spiritually. May our lives and yours find a firm anchor in the Lord Jesus and His promises.

We thank God for enabling us **to complete three and a half months of classes for baptism aspirants, as well as those aspirants to our church membership in Peñarroya.**

We praise God because, God willing, we **will celebrate the first four baptisms during our ministry in this church on July 13.** Representatives from 3 churches will accompany us: **Cabra, Palma del Rio, and Cordoba Baptist.**

Due to the limited presence of the Gospel in Spain, baptisms are a cause for celebration within the Christian community. It is a great testimony to see people taking steps of obedience to the

Lord, which represent a "double commitment", as many often go against their own families in doing so.

We praise the Lord because **Charo** is inviting her entire family, who had never attended church before. With God's help, they will come to "see what it's all about"... Because of Spain's Catholic background, people are not accustomed to seeing *adult believers get baptized.*

Let us also pray **that Alejandro**, the young man who cleaned and restored of our baptismal pool, **will attend this day.** He is a non-christian, but is very curious to know how baptisms are performed in our church.

Let us pray that God will use this "spiritual feast" to sow the seed of the Gospel.

Like the baptismal pool, the intensity of the hot weather in the summer, and the cold in the winter, has forced us to **make adjustments to our church building.** Our small congregation is motivated to give, and we hope to be able to raise the necessary funds. Let us pray for financial provision.

Likewise, let us pray that the 6 different hires of people will be open to our sharing of the Gospel with them. Glory to God!

We **thank God for Melody as well**. According to His will, God has responded to our requests and allowed her to find favor with the people and children she has ministered to thus far. God has granted her an additional blessing by minimizing the physical effects of her illness to some extent, and we trust that she will continue to improve. **Thank you for your prayers.**

On June 22, we praise God for giving our son, **Samuel, another year of life**. May God continue to grant him spiritual growth and may he always honor God above all else.

Likewise, we thank God for **Samuel and Lara's second wedding anniversary on June 18**. May they continue to be a light for the Lord wherever they go.

We have prayed for opportunities to proclaim the Gospel. We praise the Lord, because **we have been approved the use of the "Cultural Concert Hall" of Peñarroya-Pueblonuevo on December 5th, when we will hold an evangelistic Christmas concert for the community**. This event will be included in the event's calendar to be shared monthly with the community, and we hope for a positive response. Although there is still some time, we ask for your faithful prayers now.

Thank you , beloved brothers and sisters for supporting our ministry. May God bless you richly , and provide for all your needs according to His precious and sovereign will,
