## "Making disciples to worship the Lord"

NEWS BULLETIN # 55 - AUGUST 2025

Dear family in Christ,

*"Son of man, behold, I take away from thee the desire of thine eyes with a stroke: yet thou shalt neither mourn nor weep, neither shall thy tears run down. Sigh, but not aloud, make no mourning for the dead; ..."*

**Ezekiel 24:16-17a**

How powerful is God's command to Ezekiel to teach His people several lessons! This message remains relevant to our lives today. In a time of global turmoil and difficulty, it reminds us to remain obedient to God and to trust in His perfect purposes.

***"Being sustained by God and remaining joyful in the midst of suffering" is the best sermon we could preach, just as Ezekiel did." (ROH)***

As we mentioned in the previous newsletter, August is the month when most people in Spain "disconnect."

However, it was **an opportunity to spend more time with several families.** In addition, **several repairs** which required effort and time were completed.

This month, we were all blessed to have a Sunday School student and Damary as a teacher. This is the time when **María**, who was recently baptized, can have her son, **Kristian**.

In August, we praise God for **giving us another year of life:**

Danny on the 4th, and Damary on the 16th.

**It is such a privilege to be part of God's ministry in Spain!**

We thank God for **Melody's** safe return to the seminary after her “practical summer” and for her **resumption of classes.**

We praise God for His faithfulness and for her ministry, mainly with children, during that time.

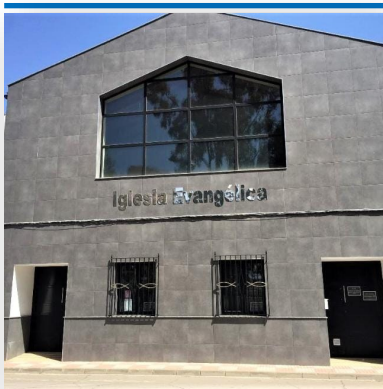

**We would like to share some of her prayer requests with you:**

*Wisdom, good time management, financial stability, good health, and success in finding future ministry opportunities.*

We thank God for **our children, Samuel and Lara.**

We ask the Lord to continue using their marriage and ministry for His glory and honor.

As we begin a new school year in Spain in September, we ask for your prayers for **all the goals we have set for ourselves as a church.**

We hope to **edify the congregation and encourage them to share the Gospel with others.**

We pray that **the strategies we devise at a special assembly this September will be accepted and put into practice.**

We praise the Lord for guiding **our disciple, Juan Francisco, to begin three years of studies at a local Bible seminary.**

This is a blessing and a spiritual encouragement for his marriage and for all of us who have seen him be born again and grow in the Lord. Let us pray that God grants him wisdom and that this time leads him to deepen his service to God.
